We can arrange to have information translated into most languages - please contact the office for further information.

We can also provide information in alternative formats (for example, large font or on CD) - again, contact the office for further details.

Community Fund

Manor Estates Community Fund

Launched at our 2022 AGM, the Manor Estates Community Fund is now open for applications.

The fund was inspired by tenant and former Board member Doug McEwan, who sadly passed away in 2020. Doug was a loyal and vocal supporter of the association and gave up lot of his time to support the Association. We felt that we should harness his spirit and create a fund that was giving something back to the communities that the Association is active in.

The fund is available to constituted groups and groups that can demonstrate that they are working towards approving a constitution.

Groups can apply for awards of up to £250.00 per annum that will assist them deliver activities that promote the values of the Association's Strategic Plan.

This is the first time that the Association has created such a fund to directly enable groups across in the city and it reflects our emphasis towards even more customer engagement in the areas that we work in.

What criteria do we need to meet to apply?

Any group seeking funding must:

- Have a formal constitution; (or be able to demonstrate that they are working towards agreeing a constitution);
- Have a bank account into which the grant payment can be made;
- Outline what the grant funding will be used for;
- Demonstrate how the activity will benefit the community; and
- Agree to take part in promotion/publicity regarding the award.

Once we have received your application a panel which meets monthly will convene to make a decision. Each year a total of 10 grants of £250.00 each will be made available between October and March.

If you wish to apply for a grant from the **Manor Estates Community Fund**, please contact our office on 0131 510 8540 for more information and an application form.
