Manor Estates Housing Association have moved!!

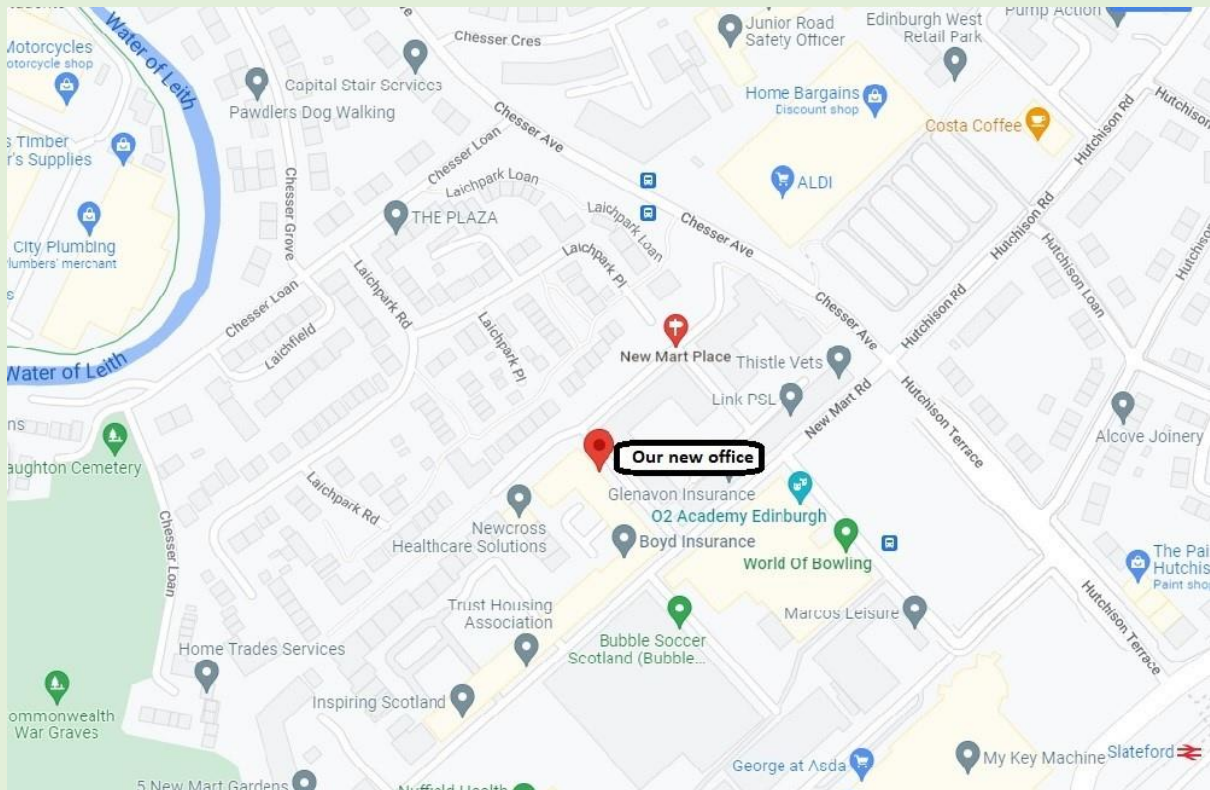

After working from Washington Lane since 1995 we moved to our new office in August 2022.

Our new office is situated at 5 New Mart Place, Edinburgh, EH14 1RW.

Bus services to the new office are:

- 4, 44, 34, X27

For those driving to the office, there is ample off-street parking available.

Our opening hours are
Monday to Thursday:
9am to 12.30pm and 1.30pm to 5pm

Friday:
9am to 12.30pm and 1.30pm to 3.30pm

The office is closed for staff training until 11am every Wednesday.

Please contact us if you would like to arrange an in-person appointment.

INSURANCE

We have gone out to tender during the year and have a new insurer as a result (Allied World). We have retained the same brokers Arthur J Gallagher and the contact details are below.

This year we got a sample of properties (across the stock) revalued for insurance purposes (as required in the Code of Conduct). Overall the property values increased by 8.4%.

Excesses have changed to now all being £250 – this is from £50 for all risks except escape of water which was £350.

Door Entry Systems

Door Entry Systems greatly improve the security of your common stairway, protecting you from unwanted callers. Manor Estates is keen to have door entry systems on all stairs where we have tenanted properties.

We are happy to assist with lettering your neighbours and gathering instructions to proceed to install door entry systems. The approximate costs per household is noted in the table below. Prices vary depending on the number of flats in the stair, the panel selected, the type of lock or fob entry. Manor can only go ahead if **the majority** of residents agree.

If you are interested and would like us to share information with those in your stair – get in touch by email owners@manorestates.org.uk or by telephoning 0131 510 8540 and selecting Option 6 to speak to a member of the team.

<i>Door Entry Installation</i>	<i>Approximate Cost per Flat</i>		
	4 in Block	6 in Block	8 in Block
<i>Base System</i>			
<i>Fob Reader</i>			
<i>Stainless Steel Panel</i>			
<i>Service Button Time Clock</i>			
<i>Privacy Switch</i>			
<i>Power Connections</i>			
<i>Door Closer</i>			
<i>Total Cost</i>	£570 per flat	£430 per flat	£370 per flat

Exact cost will be confirmed on survey of your block.

Balconies – who is responsible?

Ownership and responsibility of properties with balconies is not as straightforward as you may think. The flat with access to a balcony is responsible for the roof and side (edges) of the balcony, but the flat underneath the balcony is responsible for the underside of the balcony. If the property above you is owned by Manor Estates or another owner, you are responsible for the underside of the balcony. If the flat below is owned by MEHA or another owner you are responsible for the floor and sides (edges) of the balcony you have access to.

Gas safety checks and appliance servicing

It's vital that gas appliances are regularly checked. Regular maintenance can prevent gas leaks and stop [carbon monoxide](#) being released.

If you're a homeowner, it's recommended that you get all gas appliances, flues and pipework installed, regularly maintained and serviced annually by a Gas Safe registered engineer.

You'll find more information on gas safety checks and what they involve in our guide below.

What is a Gas Safe Registered engineer?

Gas Safe registered engineers are the only people legally allowed to work on gas heating systems, boilers, cookers, fires and any other gas appliance. A Gas Safe registered engineer will always carry a badge with the Gas Safe yellow triangle on it. You can check if an engineer is registered by phoning the Gas Safe Register on **0800 408 5500** or visiting the [Gas Safe website](#).

Let's Talk Fire Safety.

The Fire (Scotland) Act 2005 and the Fire Safety (Scotland) Regulations 2006 places responsibilities on employers and any other person(s) with control of premises (dutyholders) to assess the risk of harm from fire and to put in place appropriate safety measures.

This is required for buildings with 2 or more sets of domestic premises.

Manor Estates will be arranging to rollout a programme of Independent consultant Fire Risk Assessments across all our blocks next year.

The estimated cost of completing a Fire Risk Assessment to comply with the above regulations is £220 for any block/stair containing up to 12 units.

Fire safety inspections and frequency

Manor Estates carries out regular inspections of its estates and common parts including the common stairs. These are carried out bi-annually to ensure that there are no combustible materials or items being stored on the stair that could give rise to a fire.

Preventing fire spread in your block

The close and stair is your main route of escape in a fire. Make sure there are no fire risks there – such as rubbish left on the stairs. Make sure the close and stair is kept clear. Buggies and bicycles left on landings can prevent safe escape.

The guidance in the Building Standards Technical Handbook (Domestic) clarifies that flat entrance doors that allow access directly from a dwelling from a shared or communal corridor should achieve:-

- at least 30 minutes fire resistance in buildings that do not have a storey at a height of more than 18 m above the ground,
- at least 60 minutes fire resistance in buildings that do have a storey at a height of more than 18 m above the ground both with additional requirements for smoke leakage.

ESTATE ISSUES

Drainage

Our contractors are attending to more and more drain chokes where the cause has been found to be items such as wipes, sanitary towels, grease/lard, even nappies/incontinent pads.

The clearing of choke drains is chargeable to the properties affected and there is normally no way of knowing who the individual culprits are. If we take more care in what we put down our toilets we can help to prevent the pipes from choking.

Dog Fouling

City of Edinburgh Council environmental wardens will take action on dog fouling and you can report it here:-

<https://www.edinburgh.gov.uk/dogfouling>

Unwanted Items

Arrange an uplift of household items

You can ask City of Edinburgh Council to collect up to 5 large household items, such as furniture, electrical goods, carpets etc that are broken or damaged and can't be reused. They sort all items for recycling where possible. The charge is £5 per item. Complete the online form <https://www.edinburgh.gov.uk/bins-recycling> and they will contact you to confirm a collection day.

Your items should be on the kerbside for collection by 7am on your booked day.

Common Access Stairs

We are becoming more involved in enquiries regarding stair cleaning and would like to remind you that it is every resident's responsibility to take their turn to clean the common areas. This includes the stairwells, as well as any outside communal area such as drying areas which are not regularly maintained by ourselves.

Residents who have gardens

Many resident's gardens are very well maintained and can look very colourful during the spring and summer months. Unfortunately, the few overgrown ones can make a street look very unkempt and uncared for. Please take time and pride in your private garden which will not only improve the look of your property but also the look of the estate which can only benefit everyone.

Garden waste service

Garden waste registration is open. The service year runs from 7 November 2022 to 5 November 2023.

- Permits cost each £35 for one year, which runs from November to November
- the 2022 / 2023 service year runs from 7 November 2022 to 5 November 2023
- CEC collect your brown bin once every two weeks
- you can pay by the newly launched direct debit option or make a one-off payment. If you pay by direct debit, your permit will renew automatically every year

If you don't use the service but would like to, you can sign up now.

<https://www.edinburgh.gov.uk/gardenwaste>

You can read the terms and conditions here

<https://www.edinburgh.gov.uk/downloads/file/29739/garden-waste-terms-and-conditions>

You will need to renew your permit every year before it expires to continue receiving the service.

GETTING INVOLVED AT MANOR ESTATES

As a membership organisation we are accountable to our members, through an elected Management Committee/Board, which is made up of volunteers.

You can become a member by paying £1, valid for life, which entitles you to attend and vote at our Annual General Meeting.

You can also stand for election onto our Board of Management. If you are interested in participation opportunities such as becoming a member of the Association or of our Governing Board, get in touch by telephone 0131 510 8540 or email owners@manorestates.org.uk

USEFUL INFO

Homeowners can find impartial advice on repairs, maintenance, the appointment of a property factor and other useful information at <http://www.underoneroof.scot/>

Repairs that we are unable to carry out

These are mainly repairs required within your home, for instance if you have gas central heating you should arrange for your boiler to be serviced by a Gas Safe engineer once a year. This will ensure the efficient running of the boiler and pick up on any repairs that may be required.

If you need a tradesman it is always best to use one that has been recommended to you. Edinburgh Trusted Trader is a local business partnership scheme which aims to
